The Basilian Fathers are a vibrant community of priests, students for the priesthood and lay associates founded in France in 1822 and currently ministering in colleges, schools and parishes in United States, Canada, Colombia, Mexico and France.

The Basilian Fathers have a long history in Southwest Detroit at Ste. Anne's Parish. More recently the Basilians were involved at Holy Redeemer High School which is now the site of Detroit Cristo Rey High School where Basilians are still actively involved.
